

REAFFIRMATION OF INTEGRITY

(A commitment to Ethical Practice and Good Governance)

As a Public Servant, I have a sworn duty to perform my obligation to my country, with honor, integrity and the unwavering commitment to good governance.

At all times, I am bound by the code of conduct and ethical standards for public officials and employees.

Under this affirmation, I willfully declare that I am not corrupt, that I denounce corruption, and that I will not tolerate any form of corruption, whether by me or by my fellow workers in government, as long as I am in public service.

I will not accept nor solicit, bribe, kickback or any form of favor for the work that I have done, I am doing or I will do.

I fully subscribe to the core values of transparency, accountability, and I will take full responsibility for the decisions I make, to the words I say, to the actions I take and to the duties I perform.

I believe in full transparency in government service, by upholding the right of the citizenry to freedom of information and full disclosure on matters of public concern.

As a member of the **(DOTr - MIS)** family, I value competency, and I will do the right thing at the right time with the right attitude and behavior.

I will imbibe innovation and embrace excellence and best practices, to simplify the work process, eliminate red tape, and ensure the ease of doing business.

I will continuously improve efficiency, and adopt the attitude that there will always be a better way in the delivery of government services.

I AM A TEAM PLAYER, fully committed to attain the common goals and objectives of my government.

All these, I vow to undertake.

So help me God.
